5,400

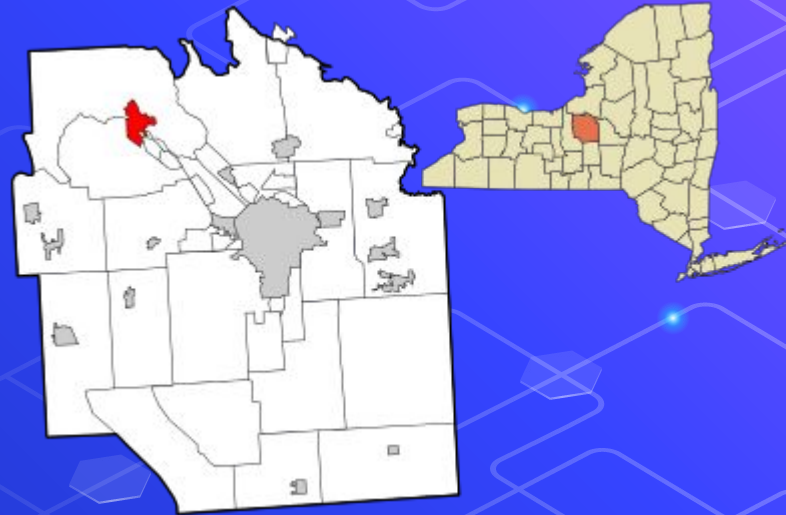

Students

475

Teachers

8

Schools

Learning Models

	Full Remote	Full In Person	Hybrid 3 days in person 3 days remote
k-2	243	917	NA
3-5	271	75	869
6-12	599	105	2278

6124

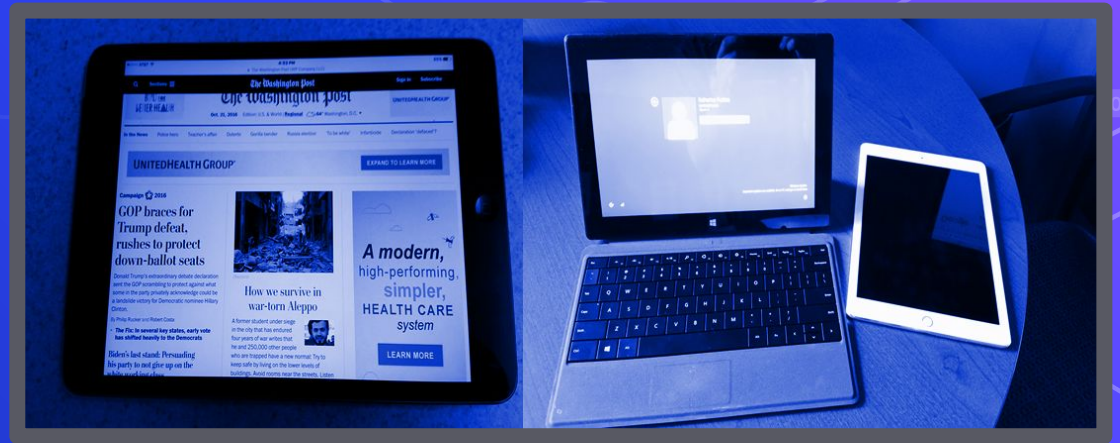

Chromebooks

2250

PC's

1894

iPads

Evolution of the Challenge

Synchronizing Challenge

SIS are not designed for setting up Cohorts: Scheduling, account management, transferring data from system to system

Ongoing and Evolving Support Challenges

- 1 *Teacher PD on tech
- *Parent Support

SUPER-SIZED HELPDESK

Initial Challenge

- 3 Convert from a 1-to-1 Cart-based (in school) program to a Hybrid model where students need to have non-shared technology that "walks with them".

Solutions

Delegate, Hire, Prioritize

Rely on Developed Relationships
Communicate

Get Your Hands Dirty

Find Pockets of Expertise

Listen, Empathize, Explain

Thanks!
