The SAANYS Difference

About SAANYS

The School Administrators Association of New York State (SAANYS) was incorporated over 50 years ago with the goal of seeking continual improvement in the quality of education and educational leadership within New York State. SAANYS has committed itself to supporting school leaders through legislative representation, legal and labor relations, professional learning opportunities, and a strong benefits program. Today, SAANYS is the largest school administrators association in New York State, now representing more than 15,000 school administrators from Long Island to Buffalo, including New York City administrators. SAANYS members supervise and influence teachers and make purchasing decisions and recommendations at both the building and district levels. For businesses wishing to reach and influence the educational marketplace in New York State, SAANYS is the partner that can get you there.

The School Administrators Association's Annual Conference and Education Expo is the best venue to meet new audiences, learn the educational needs of school administrators, and grow your business. We invite your company to join us!

Education Expo – October 29, 2023 | The Otesaga Resort | Cooperstown

Our Expo is an extension of the conference learning experience – your participation and interaction with our attendees will have a lasting impact on our state's K-12 public schools. Our annual conference and Education Expo has been a great success over the years and is only getting better. Our corporate sponsors understand the value of our conference and each year we sell out of exhibit space.

Speaking on Partnership

"My partnership with SAANYS has provided us an invaluable opportunity to regularly collaborate with innovative educators. SAANYS members are always very appreciative of the support that vendors provide and are eager to learn as much as possible about the valuable services partners deliver. The investment in my SAANYS sponsorship has produced an average return of ten times my investment! Thank you SAANYS!"

"The SAANYS conference was by far one of the best conferences I have attended as an educator, admin, and sponsor. I couldn't have been happier with the traffic through the room but most important was the depth of conversation I had with everyone who stopped by. The SAANYS membership was curious, conversational, and genuinely eager to learn from all of the partners. It was refreshing and invigorating."

Member Communications

Target School Leaders Through SAANYS' Award-Winning Publications, E-Mails, Direct Mail and Website

SAANYS' Communications Department makes contact with members as easy and as diverse as you need it to be. Whether you prefer print advertising in one of SAANYS' award-winning full-color publications, e-mails, direct mail, or web advertising, your sponsorship can be customized to suit your marketing plan.

SAANYS' Vanguard/Practices magazine is a full-color publication distributed not only to members, but to superintendents and legislators at the forefront of education issues, three times per year. Over 8,000 decision-makers throughout the state read *Vanguard* for the information and direction they need to continually improve their practice.

You'll want your product or service in front of our readers when they are deciding what changes to make, what programs to adopt, what products to purchase, and what services to contract with to make their schools better places to learn.

News & Notes is an electronic newsletter distributed weekly (with the exception of summer months) to SAANYS members and select other education professionals, including staff at the State Education Department.

SAANYS' website is an important resource for members. From up-to-the-minute education news to professional development opportunities and social networking, it is a first stop for many members wishing to stay abreast of current issues relevant to their profession. For additional information, or to purchase an advertisement, please contact Deborah Taylor, Director of Corporate Services at (518) 782-0600 or dtaylor@saanys.org.
